

# Card Kit for Girls

This leaflet shows you how to  
make cards like these

It's easy - it's fun!

# Card Kit for Girls

Collect all the pieces to make the card. Lay them on a card to make sure they fit before sticking them in place. Decorate the card with gemstones and sequins.

The notes below show you which components you should use if you want to follow the illustrations and make all the cards.

## Rabbit Card

Body, Head and Legs:

4 large pink poms

Paws: 2 smaller pink poms

Ears: foam shapes

Whiskers: pipe cleaners

## Pom-pom Flower Card

Pot: foam shape

Stem: pipe cleaner

Leaves: foam shapes

Flower centre: large pom-pom

Petals: smaller poms

## Princess Card

Head, Dress, Hair, Arms,

Hands: foam sheets

Wand: pipe cleaner

Hints: Stick the dress onto the card first before adding the head and the hair.

Add arms, hands, and face.

## Butterfly Card

Wings: pipe cleaners

Body: foam shape

Antennae: pipe cleaners

### Hints:

Start by making the wings.

To make large wings: Twist 2 pipe cleaners together at one end to make a longer pipe cleaner.

Coil this round (see diagram) and stick onto the card.

Make a second large wing in the same way. Coil just one

pipe cleaner to make smaller wings.
