

# Creepy Crawlies

This leaflet shows you how to  
make lots of models like these

It's easy - it's fun!

# Creepy Crawlies

- Use PVA glue it works well these materials.
- Use scissors to cut pipe cleaners.
- Use pompoms for bodies and heads.
- Use craft foam shapes or pipe cleaners for wings.
- Use pipe cleaners for legs.
- Glue a lollipop stick to your model to turn it into a book mark, puppet or photo frame or you could now use the model to decorate a potted plant.

**Make bodies first and then add the wings and legs.**

## **Special instructions for the Fly.**

Make the body by twisting together the ends of a looped pipe cleaner. The Fly's wings are made from craft foam.

**Special instructions for the Bee.**

The wings are made by twisting together the ends of a looped pipe cleaner.
