

# Fluffy Friends

This leaflet shows you how to  
make lots of models like these

**It's easy - it's fun!**

# Fluffy Friends

- Use PVA glue it works well these materials.
- Use scissors to cut pipecleaners.
- Make bodies first and then add the wings and the legs.
- Use foam shapes for feet, beaks, ears and wings.
- Glue a lollipop stick to your model to make a book mark, puppet or photo frame or you could now use the model to decorate a potted plant.

### Special instructions for the Fluffy Dog

Use the spiralling technique to make 4 legs.
