

Make a Lollipop Family & Pets!

This leaflet shows you how to
make lots of models like these

It's easy - it's fun!

Make a Lollipop Family & Pets!

- Use PVA glue, it works well with these materials.
- Use scissors to cut foam shapes, felt and pipe cleaners.
- Use paint, felt pens and crayons.
- Use foam shapes, felt, pipe cleaners and sequin mesh for clothes and hair.
- Use poms for hair and to make additional pets.
- Use sequin mesh for wings to turn the puppet into a fairy.
- Use felt pens to add facial expressions and to mark arms and legs on the foam.
- Use sequins to decorate.

Making clothes:

- On a piece of foam or felt draw round a lollipop puppet.
- Cut out the clothes shapes.
- Wrap round pipe cleaners or sequin mesh for skirts and trousers.

Decorate the stick handle:

- Give your puppets names and write them on the handles.
- Wrap round sequin mesh.
- Wrap round pipe cleaners to represent grass.

Make some fluffy friends.
