

## EASY TO MAKE MASKS

These masks are easy to paint and decorate – turn them into animals or characters for fancy dress parties and plays. The elastic is already threaded through the mask and can be adjusted if necessary.

### Animal Masks

### Seasonal Characters

## Colouring the Masks

Use poster or acrylic paint and leave to dry overnight before decorating. Felt pens can be used to add features.

## Familiar Characters

## Shaping the Masks

The masks are easy to cut and shape; for example sometimes only a half mask is required.

## Decorating the Masks

Use PVA glue or glitter glue to stick on:

- Felt to make hats, ears and beards
- Pompoms or wool for hair
- Pipe cleaners or Artstraws for antennae, whiskers and earrings
- Feathers for bird masks
- Add sequins, glitter or gemstones for decoration.
