Tips and Instructions

The content in this pack will make at least 4 items (hairband, butterfly, heart and wrist band).

The notes show you which wool to use if you want to make all of them.

All measurements stated are from the top of the Knitting Nancy.

Personalise the plain wooden Knitting Nancy by adding some of the stickers .

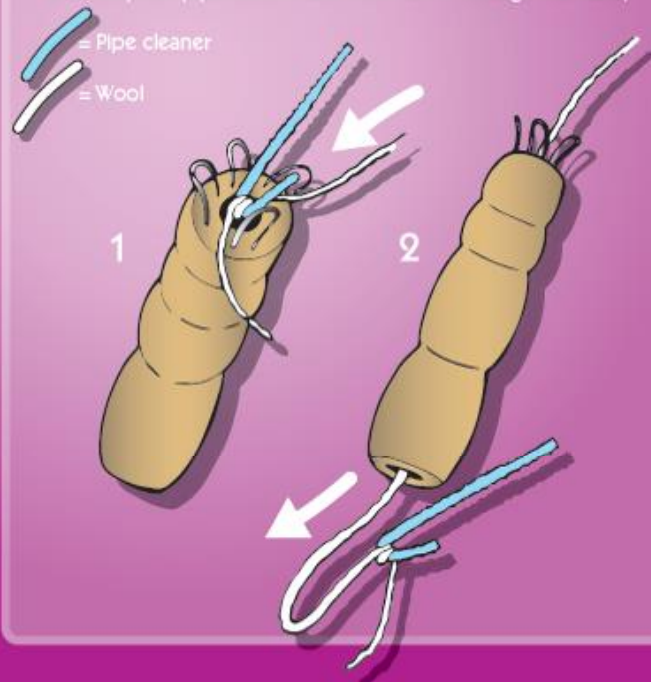

Knitting Nancy

How to use:

If you have not used a Knitting Nancy before and need to learn the basic techniques we suggest you look at: Youtube French Knitting Fiber flux, Episode 108

To thread the first length of wool through the Nancy, You may find it easier to wind the piece of wool round the end of a pipe cleaner, folding back the pipe cleaner so it does not fall off.

Then drop the pipe cleaner and wool down through the Nancy.

- Thread a pipe cleaner through the eye of the sewing needle and bend it back to secure in place.
- Starting at the loose end where you cast off, pull the needle and pipe cleaner through the length of knitting
- Pull the work tight so that it completely covers the pipe cleaner

To decorate:

- Cut 3 lengths of pipe cleaner each 3cm long
- Fold each pipe cleaner in half and make 3 A shapes, leaving a 0.5 cm flat length at both ends of each pipe cleaner (these will be tucked into the knitted band)
- Place the 3 pipe cleaners evenly along the 16cm length of knitting, tucking each flat piece of pipe cleaner into it
